WORK AND LEADERSHIP EXPERIENCE

CARDIFF AND VALE UNIVERSITY HEALTH BOARD Cardiff, UK

Academic Foundation Doctor *Aug 2025 – Present*

- Selected as an academic trainee, leading a project using AI to interpret brain scans in acute stroke patients.
- Responsible for the ward care of 40+ patients daily and covering 500+ patients overnight, involving interpreting investigations, carrying out procedures, and communicating difficult decisions with families.
- Conducted and presented a quality improvement project to the hospital's medical directors, reducing average cardiac arrest response times for the anaesthetic team by 12 minutes, now implemented hospital-wide.

HIP FRACTURE: THE REST ISN'T ORTHOPAEDICS Cardiff, UK

Podcast Co-Host and Producer *June 2025 – Present*

- Show-Runner for an educational podcast on the care needs of older patients, negotiating £500 in funding from national bodies such as the *British Orthopaedic Association,* by demonstrating educational impact for trainees.
- Reached 6000+ streams, ranked top 15 UK medical podcasts, and presented an international poster at the Fragility Fracture Network 2025; invited back in 2026 for a live on-stage podcast discussion.
- Authored a paper on short-form podcasts as an educational tool, accepted for publication in *Medical Education.*

CANDESIC London, UK

Intern Analyst *June 2024 – July 2024*

- Developed an NHS market entry strategy for a Series A Medtech startup, defining the problem statement, methodology design and presenting the financial analysis and strategic options to senior directors.
- Built Excel models, demonstrating the client's solution reduced primary care visits by 44% and costs by £64,200.

PLAB2UK London, UK

Co-Founder and Director *July 2023 – Present*

- Co-founded and led a social enterprise providing affordable exam practice for international medical graduates.
- Achieving 30% year-on-year cohort growth, supporting 50+ graduates over 3 years by implementing strategies such as social media marketing, forming institutional partnerships and introducing free tuition.

IMPERIAL MEDICS TRIATHLON CLUB London, UK

Co-Founder and President *Sep 2022 – Present*

- Founded a society, organising annual sub-24-hour London-Paris cycles, raising £6000 for Red Cross and WWF.
- Grew membership from 4 to 70+; by introducing mentoring, social events, and broadening into a triathlon club.

OTHER ACHIEVEMENTS AND ACTIVITIES

- Completed **Ironman Wales 2024** (3.8km swim, 182km cycle and 42.1km run), raising £1000+ for charity.
- **BCG Hack the Globe:** Selected as 1 of 300 participants; developed a prototype and business plan in a team of 4 for an AI-based CBT therapy app, presenting to industry leaders from BCG, Microsoft and Save the Children.
- **BCG Advanced Degree Mentorship Workshop:** Collaborated in a team to drive and solve a BCG style case.
- **Men's Captain Imperial Medic Boat Club:** recruited 30+ members; securing first Bumps headship in 5 years.
