Work Experience

Deloitte Tax Consulting | *Summer Intern* **Jun 2025 - Aug 2025**

- Redesigned 2 AI prompts for client research, cutting research time by 30%, and presented the solution to a Director who highly commended the work, leading to adoption as the standard workflow across the 12-person Private Client Tax team
- Streamlined the tax computation process by creating an end-to-end guide covering the 3 stages of preparation, query resolution and transmittal letters, improving process efficiency across the 5-person intern cohort
- Analysed cross-border tax and regulatory changes across 3 jurisdictions, producing a 4-page client-ready deliverable with key recommendations for senior stakeholders

Personal Trainer | *Founder* **Jan 2026 - Present**

- Designed tailored programmes spanning weight loss, nutrition, strength improvements and muscle building for each client, built on 100+ hours of research into evidence-based methods, leading to a 90% success rate in achieving client targets
- Scaled the business to 10+ clients alongside full-time study, generating 60% of new business through personal referrals

Liskara | *Summer Intern* **Aug 2024 - Sep 2024**

Liskara Holdings is a property management firm for both commercial and residential properties

- Introduced an independently developed space-efficiency solution, using LiDAR-based floor mapping to improve identification of underused commercial spaces, leading to an £8,000 investment in the new technology
- Resolved 3 complex tenant enquiries related to leasing terms, preserving client relations worth £120,000 per year
- Overhauled the rent recording process in Excel, centralising records and cutting time spent on manual tracking by 30%

Schroders, Deloitte and PIMCO | *Spring Intern* **Apr 2024 - Apr 2024**

- Developed and pitched a cost-cutting strategy to 2 Deloitte partners during a client case study, integrating ESG considerations to balance financial and sustainability objectives
- Directed a team of 5 at Schroders, achieving 1st place out of 14 in a problem-solving game under time constraints

Leadership and Impact

LSESU Islamic Society | *President* **Apr 2025 - Apr 2026**

- Directed strategy and operations of LSE's largest student society committee, leading a 50-member team across events, finance, marketing, and partnerships, delivering 80+ events annually to 1,000+ attendees; Winner of the Best Faith Society 2025–26 and one of three societies across the University to win the Gold Stars Awards
- Secured £10,000+ in sponsorships (+20% YoY) and built long-term partnerships with national organisations, establishing a sustainable funding model
- Pitched and secured £2,400 in first-time external funding to fully finance a year-long soup kitchen initiative, enabling a 38% increase in meals served
- Launched one of London's largest student-led social mobility conferences (250+ attendees) for Years 11-13, collaborating with 10+ Russell Group universities to equip school students with direct admissions insights

LSE 180 Degrees Consulting | *Team Lead - Senior Consultant* **Feb 2026 - Apr 2026**

- Led a team of 6 over an 8-week project to develop a pricing strategy for an education startup, analysing willingness-to-pay and data on international demand before presenting recommendations to 5 client stakeholders, resulting in the UAE being shortlisted as a priority market
- Evaluated 10+ competitors on pricing and market positioning, surfacing an unaddressed price tier that directly informed the client's pricing recommendation

Inter-University Wrestling Initiative (IWI) | *Co-founder* **Oct 2025 - Jul 2026**

- Founded and scaled an inter-university weekly wrestling programme across 8 London universities, coordinating multiple student bodies to establish a consistent cross-campus offering for 50+ students
- Developed an outreach strategy via social media and local networks, increasing total participation by 300% in 2 months
- Negotiated a discounted commercial partnership with a local gym leading to cost savings of 40%, creating a sustainable operating model and reducing barriers to participation

Skills and Interests

Achievements: Selected for England's national ISFA U17 football team – Winner of: London ISFA Cup & Essex Cup, National Cup semi-finalist | Competitive wrestler – Gold Medallist in TGI Tournament (London-wide competition)

Interests: Sport Science (A* in EPQ on the effects of weightlifting on the body), Calisthenics, Hiking (Snowdon & Seven Sisters)
